

Community Activation Program

Apply under this program if you are looking to undertake activities to improve your organisation's planning, governance and management practices including volunteer programs or to build capacity, encourage partnerships, long-term planning and self-sufficiency.

The Community Activation Program supports organisations to undertake activities or programs that contribute to one or more of the following:

- ✓ Development of improved planning, governance and management practices for community organisations.
- ✓ Encourages partnerships and collaboration between community groups.
- ✓ Encourages innovative learning and capacity building opportunities.
- ✓ Support organisations to build a sustainable volunteer base through attraction, retention, training and recognition initiatives.

Specific Program Examples:

- Support community groups to strengthen their volunteer capacity through workshops and programs.
- Engagement of an expert to assist with the development of strategic plans, business plans, facility plans and volunteer programs.
- Hosting community engagement activities to encourage increased membership and volunteering opportunities.
